All parts on this list are high quality reproductions unless otherwise listed. We reserve without notice the right to change pricing or description or refuse orders whenever necessary. This list supersedes all previous price lists. Please be patient. Our terms are simple be fair, be nice have fun.

We sell parts by part number and the description. If you do not have them we must have items original manufacture and catalog number to find parts. To those unfamiliar with the service information, please take note of the books I offer. Price guides, service manuals and collectors books with detailed information are offered. The part numbers and item numbers can be found there. Use our on line search engine to find part numbers and its easy method for ordering. The best source of information for American Flyer Wide (STD) Narrow (o) 3/16, S and Lionel, standard, O and O27. Doran, AMT, Marx, & Noma are available through our 5200+ page CD-ROM. We have published 3 PREWAR service picture books Volume 1,2,3 are available for \$30.00 each. They contain detailed information on numbers for our paint colors, loco, tender, linkage, car & accessory drawings and part numbers from original PREWAR service station parts lists for Lionel, standard, O and O27. Also info on American Flyer Wide (std) Narrow (o) 3/16 . MUST have books for prewar collectors. For Lionel the numbers to the left of the dash (-) are the first loco, car, or accessory the part was used on. We reserve the right to change pricing or description or refuse orders whenever necessary.

Shipping options NEW RATES BY USPS are now in effect 2-17-02

Shipping by 1st class US MAIL- Single item parts orders less than 8 oz. can be sent 1st class mail w/ delivery confirmation for \$3.55.

All other orders are \$7.00 with insurance UPS or Priority with insurance

Call us if you have a problem or special instructions for delivery.

Ohio residences please add 7% sales tax.

We make nothing on shipping and will not allow ourselves to lose on shipping. If you short us on shipping we will send a due bill or return your order. We feel very strongly about shipping as we spend hours every day packing and hauling it to the post office as a service to you so be fair and include enough for shipping.

When ordering, use part number and exact description including trim finish. Abbreviations: [n] Nickel, [br] Brass, [cu] Copper, [p] Painted, {f} Finished Drilled Tapped and Cleaned Casting, [c] Complete except as noted, [B] Chemically Blackened, [I] Improved, [CH] Casehardened Triple Plated Coal Black Finish, [CHN] Casehardened Nickel Finish. Other abbreviations: [NOS] New Old Stock, [ORIG] (org) Original, [UORG] Used Original. TOS temporarily out of stock

Whenever possible send orders by fax. Online ordering very soon. Do not order by e-mail as they will get lost in the shuffle. Phone orders are welcome but please be brief and be ready to give us all the info we need to determine if we have the parts you need. We cannot see your item and sometimes ask a lot questions. Having it close by can speed things up. If it's your first order please have ready your credit card number. Requests for parts not on our list will take extra time to search them out, as those parts are unorganized.

Rare parts and trains are auctioned on e-bay by our user name OLSENSTTP.
